Q6: [When sending an email announcement in PageOut® via mobile phone, is there a character limit?](#)

Q7: [If I have inactive students in PageOut®, will they receive any of the announcements that I create via email?](#)

---

**Q1-If I send an announcement via the mobile phones option, do my students incur charges for the text message?**

**A:** Charges may apply depending on the type of phone service that the student may have.

---

**Q2-Can I update or edit a previously created announcement?**

**A:** Yes, by clicking on the announcement title you can edit the subject, body, and email options.

---

**Q3-What is the Mass Announcement feature?**

**A:** The Mass Announcement feature allows instructors to post an announcement to multiple courses simultaneously.

---

**Q4-Once the Mass Announcement has been posted, can I edit the announcement in each individual course?**

**A:** Once posted, you may edit the individual announcements in each individual course to fit your course curriculum.

---

**Q5-Where does my announcement get posted once it has been created?**

**A:** Announcements get posted to the Home page of the course.

---

**Q6-When sending an email announcement via mobile phone, is there a character limit?**

**A:** Yes, there is a character limit of 120 characters.

---

**Q7-If I have inactive students, will they receive any of the announcements that I create via email?**

**A:** No, students must have an active status in your course to receive an announcement.
