

Student Homepages

PageOut® offers instructors the option to use Student Homepages within their course so students can share information with other classmates in the course.

Creating a Student Homepage

1. Click on “Student Homepages” link on the menu to the left.
2. Click on the “My Homepage” button.
3. Enter your User ID and Password in the fields provided, and then click on the “Login” button to continue.
4. Enter your information in the following fields below:
 - Welcome Message
 - Major
 - Interests
 - Favorite Saying
 - Nickname
 - E-Mail Address
 - Page Style
 - Page Style External URL

NOTE: Your information will be limited to 4000 characters or less per field.

5. Click on the “Save” button once you have completed filling out your information.

Viewing Student Homepages

1. Click on “Student Homepages” link on the menu to the left.
2. A list of registered homepages will appear on the page.
3. Click on one of the homepage links to view homepages offered by other students.
